It is with reference to the above caption that, we write on behalf of the School administration, the entire staff and pupils to sincerely acknowledge your kind gesture of supporting us by sending money to Mr. Ensa Bah to buy a printer, toner, powder and papers to solve our printing problem. It took us about three weeks struggling to manage with our old printer as we are trying to get our children get use to type questions in order to prepare them for the National Assessment Test conducted nationally. We have even started using the printer as we on end of month assessment and do a lot of photocopying.
